VOLUME 6 / 2008

Missionaries:

Virgilio & Esther de los Santos
James & Nerissa de los Santos
Hannah de los Santos

In November, we were privileged to meet with Mrs. Thim and Mr. Suwan. They are our former students at the Institute of Biblical Studies over 10 years ago. They came to Chiangmai for a three-day seminar. Mrs. Thim is married to a preacher and both of them are serving at a church in the Northeast. Mrs. Thim is also in charge of one hundred underprivileged children through the sponsorship of Compassion International. Mr. Suwan is ministering at a church near the Burma border. Please pray for them for perseverance and dedication as they serve the Lord in their respective areas. We rejoice that the leaders we have trained are now in the active service in Thailand, Laos, Burma, and Cambodia reaching out to different ethnic groups.
